

HORSES, HEADS, AND HELMETS

CONCUSSION EDUCATION AND HELMET FITTING

SPONSORED BY PARKER HEALTH FOUNDATION & PARKER ADVENTIST HOSPITAL

DID YOU KNOW THAT RIDING A HORSE IS 20X MORE DANGEROUS THAN RIDING A MOTORCYCLE?

Our program tackles myths, discusses statistics about equestrian injuries, and provides information on concussion and traumatic brain injuries so participants can make an informed decision about helmet use when riding a horse.

MAY 13, 2023

8 AM - 9 AM

Tickets

\$10 for members

\$20 non-members

HPL Members please obtain your coupon code by contacting treasurer@thehorseprotectionleague.org. Bleacher seating available, participants receiving new riding helmets are limited to 40. Tickets are \$25 at the door.

Event participants will have the opportunity to receive a new, properly fitted, International riding helmet as part of the ticket purchase price (\$70 value). This program will provide 40 participants properly fitted helmets which will be available at the event. Please email president@thehorseprotectionleague.org to provide your helmet size (S,M,L). Please access International Riding Helmet fitting and sizing chart here: <https://irhequestrian.com/pages/irh-helmet-fitting-and-sizing-chart>. Small, medium, and large sizes will be available.
